Truly Kaitlyn

Please consider donating any of these toys for a great cause. This coming December 20th 2018, Kaitlyn should be celebrating her Sweet 16. Sadly, she passed away from cancer on June 15th, 2018 at 15 years of age. Everyone who met Kaitlyn, knew how much she loved parties, loved her birthday, loved Christmas, loved being around babies and children, and most of all, loved being kind and sharing. To celebrate Kaitlyn's 1st Heavenly Birthday, we will be donating these toys to Cohen Children's Hospital Hematology and Oncology Center, where she spent a lot of time over the past 2 years. She always looked forward to the presents donated and all the child life and art specialists who spent so much time with the kids. We would love to do something happy and kind in Kaitlyn's memory on her special day.

The American Girl Dolls and accessories will be for all the children in the hospital to play with and will be kept onsite. All other toys will be given to each child to keep as a present in Kaitlyn's memory. The items shown here are what the children love and need most. The American Girl Dolls and Accessories can be found online at the American Girl Store. All other toys- all types of LEGO kits, slime kits, stress balls, Play-DoH and UNO cards, can be found at most toy stores and on Amazon. All donations must be received by **December 18th, 2018**
